To whom it may concern,

I am pleased to provide this reference for Carolina Almeida, who has been with Micronclean for a year since February 2025 as a Graphic Designer. During her time here, Carolina has consistently demonstrated professionalism, reliability, and a strong work ethic.

Carolina's role involved a wide range of creative and technical responsibilities, including packaging design, illustrations, 2D and 3D video and animation, poster creation, and contributions to our internal newsletter. She also supported the development of internal logos and various design assets for the organisation. Her versatility and ability to adapt her skills to different tasks made her a valuable member of our team.

One of Carolina's most commendable qualities is her dedication and reliability. She approaches every task with responsibility and enthusiasm, consistently delivering work to a high standard.
