## Profile

Hi, I'm Carolina! A **Designer & Animator** with a love for playful visuals, bright palettes, and storytelling through illustration. I work across **2D and 3D design, currently creating commercial animations and visual graphics as a Graphic Designer**. I hold a **First-Class degree in 3D Computer Animation from Bournemouth University**, with a **background in design and animation through client work and specialised courses**.

## Experience

### Graphic Designer Placement

Micronclean

February 2025 - Present

- **Created 10+ brochures, booklets and newsletters** for **digital and print**, using Adobe InDesign.
- Collaborated with the EDI Committee to **develop their brand and visual identity**, including **logo, merch, posters and event material**.
- **Designed 40+ packaging and distribution boxes** for our products, working with the innovation team.
- **Designed 5+ promotional posters, colouring posters, flyers and instruction manuals** using Procreate and Adobe Illustrator.
- **Created 20+ 2D and 3D animated videos** to showcase product ranges, using Blender and Adobe After
- **Designed banners, stalls, invitations and event materials** for conferences and company events.

### 3D Artist

Interstealler (Short Film)

September 2023 - June 2024

- **Sculpted and Modelled 13 3D characters, 15+ props, and 1 large environment** from 2D designs.
- **Managed the 3D Asset Department**, ensuring timely submissions and organised production files.
- **3D Modelled and Simulated the clothing** of our main character.
- **Worked closely with the Concept Artist and Director** to refine and perfect 3D character models.
- **UV mapped and re-topologised character models** for rigging, collaborating with rigging artists.
- **Textured Additional props**, keeping them true to the film's stylised look.

### Lead Graphic Designer

Revival (Young Enterprise)

September 2018 - June 2019

- **Created the branding and logo for Revival**, capturing their focus on recycling materials.
- **Organised in-person marketing campaigns** where customers made their own versions of our products to connect with Revival.
- Shaped the creative vision with **mood boards, style frames, and visual explorations**.
- Designed marketing materials such as **10+ posters, banners, and digital ads**.
- Worked to tight deadlines, **managing multiple design tasks simultaneously**.
- **Designed our packaging, showing Revivals commitment to sustainability** using biodegradable materials.
